Seeking: *Remote Work/ on-site:maybe*

spanish/english

location*: Los Angeles*

Hello,

Current projects at: **ZenCodeMaster.com**
for *frontend/backend* ranging from **ExpressJs**, **Angular2**, **Rails**, etc

I am seeking a team to join.
I have **coding experience**; please check my portofolio (link above).
I have a **logical mentality** and a **willingness to learn** and
open up to new routines, styles and personalities.

My personal goal is to develop software remotely. Onsite: maybe,

Please accept my resume for your consideration.

    Thank you,

Sergio
